2. Someone walks beside your sorrow,
Never leaves you lonely;
Reach out for a bright tomorrow,
Trust in Him and only.

3. Reach your hands in quiet praying,
Open up your spirit,
Hear the gentle spirit saying,
Listen close and hear it.

4. When the world around is breaking,
And your strength is failing,
See the morning light awaking,
Over shadows sailing.

5. Cast your heavy burdens near Him
When your soul is weary;
Find the peace of those who fear Him
When the days are dreary.

6. Take the gentle yoke He gives you,
Light and full of blessing;
Rest and quiet life He gives you,
Peaceful heart possessing.
